

Recommissioning Care and Support Services in Extra Care Housing

Tell us what you think

Bristol City Council is planning how care and support will be provided and funded in Extra Care Housing.

Extra Care Housing is where people, aged 55+, have their own self-contained homes as part of a larger complex, and have the provision of an onsite care and support service.

We need your views about how care and support will be provided and funded in Extra Care Housing schemes in Bristol.

How to take part:

The Extra Care Housing Survey can be completed online: www.bristol.gov.uk/ECH

Email: ECHCommissioning@bristol.gov.uk

Phone: 07385 417 339 and leave a message with your number (we will call you back within three days)

We can help you fill in the survey over the phone or by video call, on request.

You can request alternative formats (easy read, braille or a different language).

The consultation closes 18 July 2021.
